

ART ROOM VOLUNTEERS

November 6, 2009

IN-CLASS ART ASSISTANT – Schedule a time to come in 15 min. before and after your child's art time to assist in the set up, class exercise, and cleanup of an art period. Parents may also volunteer for any other class times they are available, aside from their own child's.

Help Needed Around the Art Studio

- Cork Committee – I need a few parent helpers to assist in hanging cork strips in the hall in front of the Art room. I need these people to *select and purchase the correct adhesive to apply the cork to the wall* of the hallways and to do the hanging. Cork has been donate by Kathy Allred and cut by parent helper Jodi Fratantuno and is ready to be attached to the wall (permission has been granted by Ms. Carroll for this project). There are 2 permanent wooden framed cork strips, but lots more are needed to be able to showcase an entire class's work at one time. There is enough cork for the outer hallway wall as well as the short wall to the room.
- Visual Team – Volunteers that would like to come help decorate the art room by hanging art posters around the upper perimeter of the art room (above whiteboard), change bulletin boards every few weeks, and rotate art displays

The Art room is open during these listed times. Please make an appointment with Debra when volunteering.
